★ = Traffic Signal

USING BELMONT ROAD FROM ROUTE 30:

- From Route 30, turn south at Belmont Road traffic light. (If you are headed east on Route 30, this is a right turn; if you are headed west on Route 30, this is a left turn.)
- Go to the stop sign (about a mile) and turn left onto Strasburg Road (aka Route 741) – **NOTE: This is a very dangerous intersection so be sure to stop completely and ease forward slowly checking both directions several times.**
- Go about 1 ½ miles to the second road to your right which is Vintage Road (it's actually a cross road). You will see the sign for Forest Ridge Stables & Kennels.
- Turn right on to Vintage Road. Go all the way up the hill to the stop sign. Turn left at the stop sign on to Mine Road.
- The entrance to the church is about 1/10 of a mile ahead on your right. There's a small sign that says Calvary Monument Bible Church and there are short brick pillars with lights on either side of the driveway. You can't see the church from the road. The main entrance into the church is straight ahead under the carport.

USING ROUTE 41 FROM ROUTE 30:

- From Route 30, turn south at the Route 41 traffic light. (If you are headed east on Route 30, this is a right turn; if you are headed west on Route 30, this is a left turn.)
- Go to the next traffic light (less than ½ mile) and turn right onto Strasburg Road (aka Route 741). You will immediately cross over a bridge and come to a stop sign – you must stop at this stop sign because you will be making a left turn onto Mine Road.
- Follow Mine Road to the church (approximately 3 miles ahead).
- When you see the Calvary Monument Bible Church sign, turn left onto Kinzer Road and take the second driveway on the right into the church (the first driveway goes through the cemetery). Follow the driveway around the church to the main entrance (under the carport).
